REF The Rugby Tavern, 19 Great James Street, WC1N 3QT.

We wish to object to the plans of returning to post covid plans allowing the extra 56 chairs ,16 tables ,12 umbrellas and 25 barriers.

This is a residential area that had always only 3 to 4 tables before covid and we would like that to return.

We object to the extra noise that this plan allows and the late long hours that is being requested.

Sincerely,

Tom Bell
