

TERMS & CONDITIONS

Price is given for the above sizes, styles, specs and quantities. Price will be updated if any of those change.
This quote is valid for 14 days only.

Payment for goods

50% deposit is required to place the order.

50% balance is required prior to dispatching new products to Customer's premises.

Payment for installation

100% is required after Customer's inspection once installation is complete / on completion day.

Manufacturing process starts when deposit is paid and order details are confirmed.

Any changes during the manufacturing will occur an extra cost and prolong lead time.

All new joinery remains the property of D Sash Windows until paid for in full.

Payment of the deposit is taken as acceptance of these terms and conditions.

Manufacturing time: 6-8 weeks from receipt of deposit and signed order confirmation.

Transportation time Lithuania to United Kingdom: 2-4 days.

D Sash Windows shall not be liable for delays caused by force majeure, such as riots, extreme weather or etc.

INSTALLATION

10 year warranty, GGFi and FENSA certificates are provided once final payment is received.

Warranty and certificates are only provided if D Sash Windows fitters install the products on this quote.

Customer is to supply parking permit or settle parking fees if applicable.

Immediate installation area to be clear and ready for installation.

Installation includes:

removal of existing windows and door,
disposal,

installing new windows and door,

foaming around with expanding foam,

sealing and pointing outside,

installing new internal sills, architraves and linings,

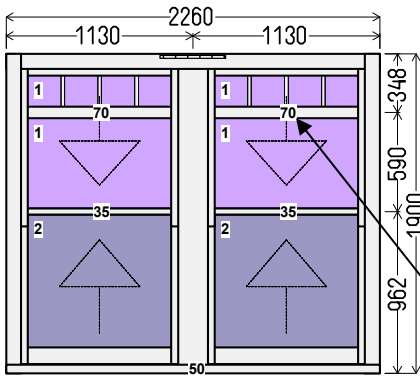

filling gaps on affected walls internally.

Customer is to arrange decoration of affected walls as well as preparing surfaces.

Any extra works required will occur extra cost.
