Me again....

I've just spoken to the lady in Flat 20, Searle House, Audrey Turner, who is struggling to hear on the phone and is too old to use the internet.

She said she wanted to log a complaint vs the works too but felt she "wasn't able to due to her hearing loss".

She asked that I do it for her.

So, that's me, objecting on her behalf :)

Please call her if you need to double check it's true. But speak slowly and clearly.

Many thanks,
