2023/1237/P	The Heath & Hampstead Society	26/05/2023 15:13:24	OBJ	<p>Objection from: THE HEATH & HAMPSTEAD SOCIETY.</p> <p>This proposal to demolish part of the front boundary wall not only makes the refuse bins more obvious to the passer-by but also, even more objectionably, spoils the existing pattern of the these 19th century terrace houses - of well-constructed piers and continuous walls in front of small gardens. The town-scape at street level is just as important to the visual quality of the road as the elevations of the terrace houses.</p> <p>Camden`s Local Plan makes clear the importance of maintaining the front boundary walls as does policies DH 1 and DH2 of the Hampstead Neighbourhood Plan.</p> <p>This application would seriously detract from the Conservation Area. Please refuse.</p>
