Description of the Proposal

Please note in regard to:

Postcode

- Fire Statements From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. <u>View government planning guidance on fire statements</u> or <u>access the fire statement template and guidance</u>.
- **Permission In Principle** If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u>.

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

As part of their long term development strategy the LSHTM plan to implement phased internal refurbishment works and renovation of the ageing services infrastructure in order to support and enhance its leadership role for the next decades. These works are part of Phase 3D of the LSHTM development masterplan. The works include a redesign of the outdated refectory and adjacent spaces. The 1168m2 of space will deliver catering and social space to serve the Keppel Street Campus. A new external fire escape is proposed in order to ensure the campus complies with current fire regulations (as part of the overall masterplan strategy). The brief is to create a flexible multi-use café, working and meeting space which maximises potential access to external light for staff/student areas while moving catering and back of house internally.

The primary functional requirements of the new space are to:

- i) Support student catering, breakout and study, staff catering, communal spaces
- ii) To create spaces that can accommodate flexible working, including informal meeting, team spaces and solo working.

A secondary role of the space, is for large group gatherings, with the ability to open the space out to maximise footprint, and for a site student facing bar run several nights a week (as it does currently). This bar will be part of the kitchen design, but the main space needs to be designed to have a bright and light daytime feel, and more intimate student bar ambiance for evenings.

Meeting booths, an evening bar area and greater connectivity to the rest of the campus, make this central heart space such an exciting transformation of an underused and tired space. It will become a significant contribution the campuses social space and will improve informal learning, wellbeing and energy efficiency.

| - Design & Access statement pages 20-43 | |
| Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)? | |

c) Demolition of a part of the listed building

As part of their long term development strategy the LSHTM plan to implement phased internal refurbishment works and renovation of the ageing services infrastructure in order to support and enhance its leadership role for the next decades.

The proposed demolition works are aimed at improving the existing fabric of the building and enhancing its overall performance as well as create unique architectural experiences for the students, staff and visitors through interventions that are subtle sensitive to the Listed Building qualities. The skylight within the moat is essential to maximise the use of the space by bringing daylight into this dark corner of the refectory. By doing this, the wellbeing of the users is also kept mind.

The existing stairs within the South Courtyard will be removed and a new feature staircase inserted to improve connection and circulation into the new social space. The existing ground floor slab will be partially demolished to create a new void for the feature stair, known as the Big Steps. The cut slab edge will be resupported by new structure spanning between columns built up off the existing lower ground floor RC ground bearing slab which will be used to support the new feature staircase. Steel framing will help to maximise the useable space underneath for storage. The existing columns supporting the South Courtyard lecture theatre over will be retained. New lintels will be provided to create enlarged openings in the south courtyard masonry walls and the existing window cills dropped along the west internal elevation to improve circulation and connectivity between the internal spaces.

| Immunity from Listing Has a Certificate of Immunity from Listing been sought in respect of this building? ○ Yes ○ No |
|---|
| Listed Building Alterations |
| Do the proposed works include alterations to a listed building? |
| If Yes, do the proposed works include |
| a) works to the interior of the building? ⊘ Yes ○ No |
| b) works to the exterior of the building? |
| c) works to any structure or object fixed to the property (or buildings within its curtilage) internally or externally? ② Yes ○ No |
| d) stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)? ⊘ Yes ○ No |
| If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed. Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s). |

| | | |

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'. **Biodiversity and Geological Conservation** Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site? To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals. a) Protected and priority species O Yes, on the development site O Yes, on land adjacent to or near the proposed development **⊘** No b) Designated sites, important habitats or other biodiversity features O Yes, on the development site O Yes, on land adjacent to or near the proposed development ⊗ No c) Features of geological conservation importance O Yes, on the development site O Yes, on land adjacent to or near the proposed development ⊗ No Supporting information requirements Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal. Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted. Your local planning authority will be able to advise on the content of any assessments that may be required. **Open and Protected Space** Please note: This question is specific to applications within Greater London. The Mayor can request relevant information about spatial planning in Greater London under Section 346 of the Greater London Authority Act 1999. View more information on the collection of this additional data and assistance with providing an accurate response. Open Space Will the proposed development result in the loss, gain or change of use of any open space? Yes ⊗ No **Protected Space** Will the proposed development result in the loss, gain or change of use of a site protected with a nature designation? ○ Yes √ No Wasto and recycling provision

| Authority Employee/Member |
| With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member |
| It is an important principle of decision-making that the process is open and transparent. |
| For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. |
| Do any of the above statements apply? ○ Yes ⊙ No |
| Ownership Certificates and Agricultural Land Declaration |
| Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 & Regulation 6 - Planning (Listed Buildings and Conservation Areas) Regulations 1990 Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D. |
| Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days? O No |
| Is any of the land to which the application relates part of an Agricultural Holding? ○ Yes ⊙ No |
| Certificate Of Ownership - Certificate A |
| |

| I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates is, or is part of, an agricultural holding** |
|---|
| * 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act. |
| NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding. |
