New casement window in existing opening to match existing casement window closely.

Flat 8 Mansard Elevation - Proposed

New door onto existing terrace at head of bay. Dormer widened to allow for glazed sidelights to doors.
 Metal balustrade added to perimeter of terrace to provide 1.1m high fall restraint. Balustrade to be fixed back to non-historic structure of mansard roof at ends and down to balcony roof. No fixings through original masonry or terracotta elements.
