2023/1604/A	Ed	02/06/2023 06:54:40	OBJ	Absolutely NOT - this whole area has been cheapened enough by the profiteering developers who have ruined this place. As a resident I don't want any more non natural LED lighting or for this area which gives me a headache - there is zero public benefit or interest here. these applications are pointless waste of time - big business always wins when camden council are involved so we know where this ends up.
