Eligibility
Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible.
The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.
The questions below will help determine if the proposals are eligible for this permitted development right.
The current building and site
Was the current use of the building as dwellinghouses only granted by virtue of permitted development rights under Schedule 1, Part 3, Class M, MA, N, O, P, PA or Q of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended)?
<ul><li>○ Yes</li><li>⊙ No</li></ul>
Above ground level, is the current building less than 3 storeys in height?
<ul><li>○ Yes</li><li>⊙ No</li></ul>
Was the current building constructed between 1 July 1948 and 5 March 2018?
<ul><li>✓ Yes</li><li>○ No</li></ul>
Is any part of the land or site on which the building is located:
<ul><li>in a conservation area;</li><li>in an area of outstanding natural beauty;</li></ul>
• in an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the
countryside; • in the Broads;
• in a National Park;
<ul><li>in a World Heritage Site;</li><li>in a site of special scientific interest;</li></ul>
a listed building or land within its curtilage;
a scheduled monument or land within its curtilage;     a safety hazard area:
<ul><li>a safety hazard area;</li><li>a military explosives storage area; or</li></ul>
• within 3 kilometres of the perimeter of an aerodrome
○ Yes ⊙ No
The proposed development

Will the proposed additional storeys only be constructed on the principal part of the building (i.e. the main part of the building excluding any front, side or rear extension of a lower height, whether this forms part of the original building or a subsequent addition)?
Would the floor to ceiling height, measured internally, of any proposed additional storey exceed:  • 3 metres; or
• the floor to ceiling height, measured internally, of any existing storey of the principal part of the existing building ☑ Yes ☑ No
Would the proposed extended building's:
<ul> <li>height exceed 30 metres (as measured from ground level to the highest part of the roof, not including plant); or</li> <li>roof be more than 7 metres higher than the highest part of the existing roof (not including plant, in each case)</li> <li>Yes</li> </ul>
⊙ No
Will all the proposed new dwellinghouses be flats (i.e. separate and self-contained premises constructed for use for the purposes of a dwellinghouse)?
Will all the proposed new dwellinghouses have gross internal floor areas of at least 37 square metres, and comply with the <u>nationally described</u> space standard?
Following the development, will every dwellinghouse in the building remain in use within Use Class C3 and for no other purpose, unless that purpose is ancillary to the primary use as a dwellinghouse?
<ul><li>Yes</li><li>No</li></ul>
Polated against an and works
Related operations and works
Will any proposed engineering operations reasonably necessary to construct the additional storeys and new dwellinghouses include:  • Provision of visible support structures on or attached to the exterior of the building upon completion of the development; or  • Anything other than works within the existing curtilage of the building to strengthen existing walls; strengthen existing foundations; or install or replace water, drainage, electricity, gas or other services
Will any proposed engineering operations reasonably necessary to construct the additional storeys and new dwellinghouses include:  • Provision of visible support structures on or attached to the exterior of the building upon completion of the development; or  • Anything other than works within the existing curtilage of the building to strengthen existing walls; strengthen existing foundations; or install or
Will any proposed engineering operations reasonably necessary to construct the additional storeys and new dwellinghouses include:  • Provision of visible support structures on or attached to the exterior of the building upon completion of the development; or  • Anything other than works within the existing curtilage of the building to strengthen existing walls; strengthen existing foundations; or install or replace water, drainage, electricity, gas or other services  Ores  Will any works for the replacement of existing plant or installation of additional plant on the roof of the extended building reasonably necessary to service the new dwellinghouses include:

Will any works for the replacement of existing plant or installation of additional plant on the roof of the extended building reasonably necessary to service the new dwellinghouses include:  Increasing the height of any installed plant (i.e. as measured before and after from the lowest surface of the roof on the principal part of the building)  Yes  No  No  Will any works for the construction of appropriate and safe access to and egress from the new and existing dwellinghouses (including means of escape from fire, via additional external doors or external staircases) extend
Will any works for the replacement of existing plant (i.e. as measured before and after from the lowest surface of the roof on the principal part of the building)  Yes  No  No  No  No  No  Will any works for the construction of appropriate and safe access to and egress from the new and existing dwellinghouses (including means of escape from fire, via additional external doors or external staircases) extend  Yes  No  No  No  No  No  No  No  No  No  N

Fire Safety
Where the building (existing or as proposed) exceeds certain limits, legislation has been put in place to ensure the adequate consideration of fire safety by the Local Authority (including its decision to grant prior approval) and other relevant parties.
The Existing Building
Is the existing building 18 metres or more in height (as measured from ground level to the highest part of the roof)
○ Yes ⊙ No
The Proposed Development
Would the proposed development result in a building that contains one or more dwellinghouse, and is:  • 18 metres or more in height (as measured from ground level to the highest part of the roof); and/or  • Contains 7 or more stories
○ Yes ⊙ No
Description of Proposed Works, Impacts and Risks Proposed works
Please describe the proposed development including details of any dwellinghouses and other works proposed
Please refer to covering letter
Please describe the effects of the proposed development on the external appearance of the building
Please refer to covering letter and associated plans
Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses
Please refer to covering letter and associated Daylight and Sunlight Assessment
What will be the net increase in dwellinghouses?
5
This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.
Impacts and risks
Please provide details of any transport and highways impacts and how these will be mitigated
Please refer to covering letter
Please provide details of any air traffic and defence asset impacts and how these will be mitigated
N/A
Please provide details of any contamination risks and how these will be mitigated
N/A
Please provide details of any flooding risks and how these will be mitigated.

Please refer to covering letter A flood risk assessment should accompany the application where the site: • is in Flood Zones 2 or 3; or • is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency). Check if your site location is in Flood Zone 2 or 3 online Check with your Local Planning Authority to see if your site is in an area with critical drainage problems. Please provide details of the impacts of on the amenity of the existing building and neighbouring premises including, but not limited to, overlooking, privacy and the loss of light and how these will be mitigated: Please refer to covering letter and associated Daylight and Sunlight Assessment In the case of upwards extensions this includes neighbouring properties which are not contiguous with the proposed development site Where relevant (due to the siting of the building), please provide details of the impact on any protected view. Please refer to covering letter These are identified in the Directions Relating to Protected Vistas dated 15 March 2012 issued by the Secretary of State. List of flats and other premises in the existing building Please provide a list of all addresses of any flats and any other premises within the existing building House name: Flat 1, Kings Court Number: 523 Suffix: Address line 1: Finchley Road Address Line 2: Town/City: London Postcode: NW3 7BP House name: Flat 2, Kings Court Number: 523 Suffix: Address line 1: Finchley Road
