Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Advertisement Consent Granted

Address:
4 Bloomsbury Way
London
Camden
WC1A 2SL

Proposal: Installation of internally hung neon signs at Bury Place and Bloomsbury Way.

Drawing Nos: Site Location and Block Plan, 2110-060-301, 2110-060-302, 2110-060-303, 2110-060-304.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or

aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 The neon signs hereby approved shall be limited in illumination to 500cd/m² and illumination shall be static in nature. The signs shall be switched off when the premises is closed for business.

Reason: In order to protect local amenity in accordance with policy A1 of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission/consent-

The installation of internally hung neon signs is considered acceptable in terms of scale, design and materials and would not appear incongruous in this setting.

Two internally hung neon signs would be installed internally behind the glazing, one to Bloomsbury Way and one to Bury Place. They would be restricted to a maximum illumination level of 500cd/m², and a planning condition would ensure they are switched off when the premises is closed for business. The proposed signs will replace existing signs approved through 2022/0490/A and are the same size and would be located in the same location as these existing signs.

The proposal is not considered to cause any harm to highways safety or residential amenity.

The site's planning history has been taken into account when coming to this

decision. No objections have been received prior to making this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policy D4 of the Camden Local Plan 2017, the London Plan 2021 and the National Planning Policy Framework 2021.

- 2 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 3 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)
