

**REDINGTON FROGNAL**  
NEIGHBOURHOOD FORUM

6 June 2023

Dear Ms Meynell,

**2022/5335/P: 58A Redington Road – object**

The proposal for four garden buildings does not take account of any of the Redington Frognal Neighbourhood Plan policies.

The following are relevant:

- SD 1 i, ii, iii, v, vi, vii
- SD 4 vii, viii
- SD 5 iii and vii
- BGI 1
- BGI 2.

It would be useful, therefore, if the enclosures were to be surrounded by and covered with vegetation. This would lessen the noise, help with natural cooling, provide some wildlife habitat and filter air particulates. A side hedge would also help.

As the application stands, it is not compliant with the Neighbourhood Plan, although it is capable of conformity subject to consideration of the relevant Neighbourhood Plan policies.

Yours sincerely,

*Nancy Mayo*
