NEIGHBOURHOOD FORUM

6 June 2023

Dear Obote,

2023/0656/P: 35 Arkwright Road – object

The proposal for a rear extension does not take account of any of the Redington Frognal Neighbourhood Plan policies.

The following are relevant and should be addressed:

- SD 1 i, ii, iii, v, vi, vii
- SD 4 vii, viii
- SD 5 iii and vii
- BGI 1
- BGI 2
- BGI 3.

It would be useful to understand exactly how much of the garden is to be lost. Looking at the DAS, the garden measures 11 metres in length and the proposed extension would measure 5.9 metres, implying substantial loss of natural soft surface.

Yours sincerely,

Nancy Mayo

Secretary
