OBJECTION AND COMPLAINT

Dear Sir/Madam,

I absolutely object to this application. My property would be severely and detrimentally affected by this proposed building. The building proposed would block light to EVERY room in my flat, as well as to all other flats at the rear of College Court.

Furthermore, no consultation has taken place and no letter or notice was sent to me or anyone else in College Court. This suggests that the applicants are conspiring with the Camden Council to get this application approved in secret. We, at College Court, will not rest until an investigation is conducted about this matter and the application is rejected.

Yours sincerely,

Bora Dogan
