[EXTERNAL EMAIL] Beware – This email originated outside Camden Council and may be malicious. Please take extra care with any links, attachments, requests to take action or for you to verify your password etc. Please note there have been reports of emails purporting to be about Covid 19 being used as cover for scams so extra vigilance is required.

I am writing to object to the proposed addition of telecom antennae and trunking to the existing guard railings at roof level. They will be very visible and will add bulk and massing to the existing light-weight and transparent railings at the perimeter of the top the Babington Court.

They will be an ugly and unattractive feature, and approval would set a dreadful precedent for similar additions on other roof tops.

The application should be refused.

Similar proposals have previously been refused on this block and Chancellor Court.

Thank you.

Alec Forshaw
