Dear Planning Committee members,

I am writing to object to the proposal to erect a Ferris wheel in Camden Market. There are already huge crowds coming to the Market, especially over weekends, and this sort of attraction (Ferris wheel) not only will attract many more but could overwhelm what used to be a delightful craft and food market. The market is a relatively small space, and this will put extra pressure on the crowds. I gather the police are against it, and I join other neighbours in expressing my opposition to the proposal.

I hope you will take into account what local people feel.

Gill Walt,
