

REDINGTON FROGNAL
NEIGHBOURHOOD FORUM

6 June 2023

Dear Darren,

2023/2075/P: 15 Lindfield Gardens – object

The proposal for a rear extension does not take account of relevant Redington FrognaI Neighbourhood Plan policies.

The following are relevant and should be addressed:

SD 1 i, ii, iii, v, vi, vii
SD 4 vii, viii
SD 5 iii and vii
BGI 1
BGI 2
BGI 3.

The loss of trees to facilitate development is not supported and all trees are important to the special character of the Conservation Area.

A planting plan, using the guidance set out in section 6.2 of the Neighbourhood Plan, will help to address some of these policies.

Yours sincerely,

Nancy Mayo

Secretary
