### **Full Planning Permission Granted**

Address:

**Flats 41 and 42**  
**Antrim Mansions**

**Antrim Road**  
**London**  
**Camden**  
**NW3 4XU**

Proposal:

The reinstatement of two windows and the installation of a door, steps and railings on the rear elevation

Drawing Nos: DPL.01.; DPL.02.; DPL.03.; DPL.04.; DPL.06.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans DPL.01.; DPL.02.; DPL.03.; DPL.04.; DPL.06.

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

- 2 Reasons for granting permission/consent-

The proposal is for the reinstatement of two windows and the installation of a door, steps and railings on the rear elevation, leading to the communal garden area. The use of suitably designed units are considered to be an appropriate and sympathetic change which preserves the character and appearance of the host building and the wider Hampstead Conservation Area. There are no amenity concerns as the proposed windows would replace existing windows and the rear door mirrors the existing door at number 41. The steps are from garden level to ground floor level and would not give rise to overlooking.

During the course of the application the proposal was amended to remove windows at ground floor level on the front elevation. These windows were removed following advice from officers that they would harm the appearance of the building and the wider Hampstead Conservation Area.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received following statutory consultation.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Hampstead Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Area) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policies A1, D1, D2 and

CC1 of the Camden Local Plan 2017, policies DH1 and DH2 of the Hampstead Neighbourhood Plan 2018, the London Plan 2021 and the National Planning Policy Framework 2021.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
