2023/1911/P	CRASH	04/06/2023 17:17:01	AMEND	<p>Comments submitted on behalf of CRASH (Combined Residents Associations of South Hampstead). CRASH generally welcomes the proposals to improve the front garden area of the site. However, CRASH notes that the northern section of the front boundary wall has already been removed, presumably because it had been pushed over - or was being pushed over - by the two mature trees in that section of the property. These mature trees are not shown on existing or proposed elevations or on the related isometrics. CRASH fails to see how the proposed boundary wall, topped with metal railings, can be constructed, as shown, without the felling of the two existing mature trees. CRASH would object to any application to remove the trees. CRASH would welcome an amended scheme.</p>
