2023/1939/P	Adam Merza	08/06/2023 16:18:30	COMNOT	<p>We are the managing agents of 50/51 Great Russell Street behind the subject property.</p> <p>Our concern is that the Sunlight Assessment shows significant loss of light to one window of our property (Window 22) providing only 67% of current light.</p> <p>The upper floors are managed by a residential agent, we are awaiting their comments and confirmation of the use of this window. Hopefully it is the stairwell, but it may be that this provides a material detriment to a flat within the property. We also anticipate that scaffolding may be erected on our property requiring an oversail license.</p> <p>That said we are happy to discuss and work with all parties.</p>
