Do you have any comments or consider that the proposal is harmful to or does not preserve the character and appearance of the conservation area?

ADVICE from The Regent's Park Conservation Area Advisory Committee 12A Manley Street, London NW1 8LT 5 June 2023 2023/1568/L 1-3 Redhill Street No objection, but we urge that the applicant is encouraged to undertake the repairs to the stucco needed as soon as possible. The building, Christ Church Albany Street, is one of the key surviving buildings from the original historic development of Albany Street and merits special care. The Diocese of London must be aware that a building in good repair is more likely to find a user. Richard Simpson FSA Chair
