Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
6 Eglon Mews
London
NW1 8YS

Proposal: Installation of replacement windows and door to front elevation, changing existing timber to metal framed fenestration, and installation of new dormer and rooflight to front roofslope and new rooflight to rear.

Drawing Nos: Site Location Plan SV 00, SV 01, SV 02, GA 02 B, GA 01 B, GA 01C, GA 02 C. Design and Access Statement (Evelegh Designs).

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Site Location Plan SV 00, SV 01, SV 02, GA 02 B, GA 01 B, GA 01C, GA 02 C. Design and Access Statement (Eveleigh Designs).

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission:

The proposed alterations are considered acceptable in terms of scale, design and materials and would not appear incongruous to the character and appearance of this house, streetscene or conservation area.

The replacement of fenestration to the front elevation with dark grey metal framed windows and entrance door, is considered acceptable in the context of the host mews building. All of these replacements shall be positioned within existing openings.

At roof level, the proposed front dormer is identical to that approved under permission ref: 2021/3103/P dated 29/10/2021. As noted, the proposed dormer shall be positioned in line with lower floor windows and shall be set back from the parapet edge in accordance with best practice. An approved rooflight to the front slope shall be re-positioned towards the roof ridge to better illuminate the internal stairway, and an additional rooflight is proposed to the rear slope, to provide light to the reconfigured internal layout. None of the rooflights are visible from the public realm.

Given the minor nature of the proposals, this development is not considered to have any negative impact on neighbouring residential amenity in terms of loss of light, outlook or privacy.

No objections were received prior to the determination of this application. The planning history of the site and surrounding area were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017. The proposed development also

accords with The London Plan 2021 and the National Planning Policy Framework 2021.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.

You can find advice about your rights of appeal at:

<https://www.gov.uk/appeal-householder-planning-decision>.

If you submit an appeal against this decision you are now eligible to use the new [submission form](#) (Before you start - Appeal a planning decision - GOV.UK).

Yours faithfully
