SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION

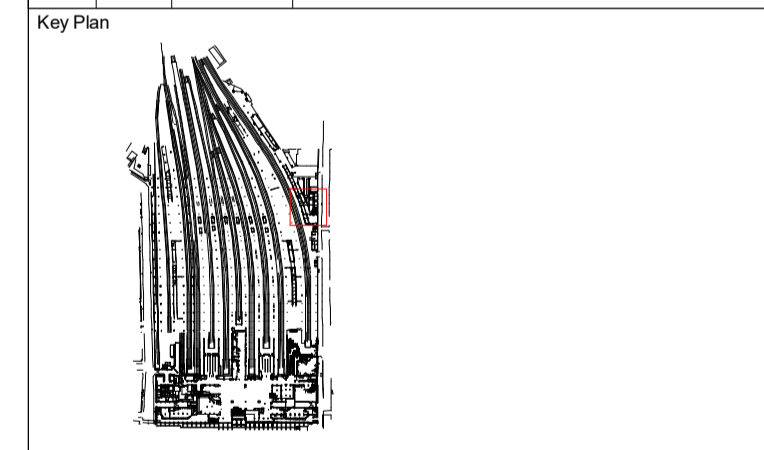

In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following:

CONSTRUCTION	Not applicable
MAINTENANCE/ CLEANING	No unusual risk
DECOMMISSIONING/ DEMOLITION	No unusual risk

It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement

- Notes:**
- Contractors are responsible for the verification of all dimensions on site and the architect is to be informed of any discrepancy.
 - Do not scale from this drawing.
 - All dimensions shown are in millimeters unless noted otherwise.
 - This drawing is to be read in conjunction with all relevant drawings and documents.
 - All drawings have been based on information received from Murphy & TUSP / Network Rail; Network Rail to confirm or provide 'as-built' information.
 - The purpose of this drawing is to provide design intent only. This is not a construction drawing, this is a design intent to support a specialist contractor to develop with the station operations a detailed construction methodology to be signed off by others.
 - This drawing is to be read in conjunction with:
