2023/0693/P	Jane Boardman	25/06/2023 18:49:19	COMMNT	<p>I object to this Application.</p> <p>Another basement development? Our Belsize Cres foundations are wide but shallow, will my basement flat fall downhill? What happens if it does?</p> <p>Has Flash Flooding been considered? It happens, South End Green recently, less recently circa 1970s in this area, at least one person died in Belsize Lane as I recall, that should not happen again. Besides, there is an extremely good swimming pool at Swiss Cottage leisure centre and many more places locally.</p> <p>I don't understand 'reversing the external staircase' What external staircase?</p> <p>The dormer (IMO) should be returned to an original style one. Not consistent with a conservation area's aims.</p> <p>The air source heat pump, well the noise, here visiting the country cousin the noise is dreadful.</p> <p>I ask that this be refused.Please.</p>
