Appendix 1

Evidence Base Summary

**(Draft) Hampstead
Neighbourhood Plan
2018-2033**

Foreword

Appendix 1 summarises the evidence supporting each of our policies. The evidence demonstrates how each of our policies is supported by local consultation and meets the five basic conditions relevant to neighbourhood planning. A neighbourhood plan meets the basic conditions if:

1. having regard to national policies and advice contained in guidance issued by the Secretary of State it is appropriate to make the neighbourhood plan
2. the 'making' of the neighbourhood plan contributes to the achievement of sustainable development
3. the 'making' of the neighbourhood plan is in general conformity with the strategic policies contained in the development plan for the area of the authority (or any part of that area)
4. the 'making' of the neighbourhood plan does not breach , and is otherwise compatible with EU obligations
5. prescribed conditions are met in relation to the neighbourhood plan and prescribed matters have been complied with in connection with the proposal for the neighbourhood plan.

Our complete evidence files supporting each policy can be found online at www.hampsteadforum.org.

Following examination, the examiner's report will set out the extent to which the draft plan proposal meets the basic conditions above and what modifications (if any) are needed to ensure it meets the basic conditions.

In the consultation on the draft Plan, April-May 2017, all six policy sections received overwhelming support. Only 1% (Design and Heritage) to 7% (Traffic and Transport) of respondents raised objections. Responses to comments we received can be found in the Consultation Statement.
