2023/2208/T	Claudine Widdowson	26/06/2023 16:16:11	JUST	<p>I am a director of Frogmal Lane Gardens LTD together with the boards we run the communal Gardens in Frogmal Lane . We do object to the tree work outside no 10. A plane tree and an oak tree allegedly causing damages to the foundation of no 10 will be cut down to 6 m above ground. We believe that there is not enough evidence that these trees are causing the cracks in the house extension. Further more the owners have planted a large number of trees in their own garden draining more water from the soil. We have a rolling tree program with Camden and these 2 trees are due to be trimmed any way but not as much as it is proposed. We are meeting tomorrow with Fiona Critchley from the Arborticultural solutions Ltd. She has looked after our trees for many years. We will ask her for her opinion.</p>
