* The land referred to as article 2(3) land is the land described in Part 1 of Schedule 1 to Town and Country Planning (General Permitted Development) (England) Order 2015/596 (National Parks, areas of outstanding natural beauty and conservation areas etc).

Assessment:

Class A para. A.4 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (“the Order”) as amended specifies:

- (1) The following conditions apply to development permitted by Class A which exceeds the limits in paragraph A.1(f) but is allowed by paragraph A.1(g).
- (2) Before beginning the development the developer must provide the following information to the local planning authority—
 - (a) a written description of the proposed development including—
 - (i) how far the enlarged part of the dwellinghouse extends beyond the rear wall of the original dwellinghouse;
 - (ii) the maximum height of the enlarged part of the dwellinghouse;
 - (iii) the height of the eaves of the enlarged part of the dwellinghouse;
 - (iv) where the enlarged part will be joined to an existing enlargement of the dwellinghouse, the information in sub-paragraphs (i) to (iii) must be provided in respect of the total enlargement (being the enlarged part together with the existing enlargement to which it will be joined);
 - (b) a plan indicating the site and showing the proposed development and any existing enlargement of the original dwellinghouse to which the enlarged part will be joined;
 - (c) the addresses of any adjoining premises;
 - (d) the developer’s contact address; and
 - (e) the developer’s email address if the developer is content to receive communications electronically. together with any fee required to be paid

A number of additional conditions are set out in paras. (3) to (13), including:

- (10) The development must not begin before the occurrence of one of the following—
 - (a) the receipt by the developer from the local planning authority of a written notice that their prior approval is not required;
 - (b) the receipt by the developer from the local planning authority of a written notice giving their prior approval; or

- (c) the expiry of 42 days following the date on which the information referred to in sub-paragraph (2) was received by the local planning authority without the local planning authority notifying the developer as to whether prior approval is given or refused.

The applicant submitted an application for Prior Approval of the proposed works on 10/08/2022 (reference 2022/3703/P) which was determined by the Local Planning Authority on 23/11/2022, with confirmation that Prior Approval was granted.

The proposed single storey rear extension is therefore considered to be permitted development in accordance with Class A para. A.4 of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (“the Order”).

One response was received regarding car parking at the site which is not relevant to the current application and cannot be considered during the assessment against the Town and Country Planning (General Permitted Development) (England) Order 2015 (“the Order”).
