Selkirk House comprises a 17 storey building, which includes two basement levels, and a further partial basement level. Selkirk House is occupied by the
former Travelodge hotel building and NCP car park. The former Travelodge building provided overspill accommodation from the primary
Travelodge hotel building on the opposite side of High Holborn, however, the hotel use at the site ceased all operation in June 2020. At lower levels there is an NCP car park set across basement to second floor level.
The West Central Street buildings are predominantly in retail use at ground floor level fronting New Oxford Street. The basement, first and second floors of No. 39 – 41 are in office use with the upper floors of 35 – 37 being in residential use. No's 16a, 16b and 18 West Central Street were previously in use as a
