Subject: URGENT - Application ref: 2023/2349/T - Tree in a Conservation Area - 104 Fitzjohns Avenue, NW3 6NT

Dear Camden,

This is a Conservation Area.

This Holm Oak is well established and healthy.

I strongly oppose the needless felling of this Tree - that helps with noise and air pollution on a daily basis.

Our Urban Trees are under threat.

It is your job to protect this Holm Oak.

Please decline this proposal.

Yours

Sophy Dury
