Subject: Application 2023/2398/T

Dear Sir/Madam

Ref above application, and in conjunction with very helpful correspondence with Rav Curry in the Planning Office, , I am writing to let you know that, together with Hon Judge Barrington Black (flat2, 62 Redington Rd) , we offer no opposition to the intent to carry out work on the chestnut tree that sits on our property. I understand The Landscae Garden Co are requesting permission to commence pruning on said tree and we would not oppose that application

Yours sincerely
