## GENERAL NOTES:

- Do not scale from drawings. •
- .
- All works to be in accordance with Local Authority's Bylaws. The Contractor shall inform the Building Control Inspector of any work that affects the structure of the building, and any other works which require notification, before the work commences. Materials and workmanship are to be to the latest British Standards and European Standards where applicable. ٠
- Where this specification refers to a Standard which has been updated the most recent Standard is to be used. •
- All mechanical systems are to be designed and installed in accordance with Building Regulations, the latest
- relevant British or European Standards, and the manufacturer's instructions. The contractor shall check all dimensions on site and report any errors. He is to check any discrepancies and report back to the Architect. •
