

Application No:	Consultees Name:	Received:	Comment:	Response:
2023/2445/P	Gamages Tenants and Residents Association	29/06/2023 07:46:44	OBJ	We are representatives of the local authority estate directly above the courtyard where this application is for. We are the voice for over 1000 residents. We are opposing this application as we are in dispute at the moment with the Freeholder's reps regarding the existing plant/units. The noise impact on all the residents of our estate has got to the point that we are seeking legal advice. LBC are heavily involved in this as is the local Councilor's. There is already over 100 air conditioning units and we feel adding (albeit new) will not help the impact on quality of life for our residents. We also feel noise buffering to previous plant has not been adhered to by the freeholders.
