Scale: 1:500 (When plotted at A4)

1. The position of the apparatus shown on this drawing is believed to be correct but the original drawings are not to scale. The drawings are not intended as cable avoidance tools prior to excavation.
2. The exact position of the apparatus should be verified using approved cable avoidance tools prior to excavation using suitable hand tools.
3. It is essential that trial holes are carefully made avoiding the use of mechanical tools or picks until the exact location of all the cables have been determined.
4. It must be assumed that there is a service cable into each property, lamp column and street sign.
5. All cables must be treated as being live unless proved otherwise by UK Power Networks.
6. The information provided must be given to all people working near UK Power Networks plant and equipment. Do not use plants more than 3 months after the issue date for excavation purposes.
7. Please be aware that electric cables/lines belonging to other owners of licensed electricity distribution systems may be present and it is your responsibility to identify their location.
8. Please be aware the Low Voltage Overhead power lines are not currently displayed for the Eastern Region. Please contact the Eastern Region for more information.
9. Please contact the Eastern Region for more information.

1. UK Power Networks does not warrant that the information provided to you is correct. You rely upon it at your own risk.
2. UK Power Networks does not exclude or limit its liability if it causes the death of any persons or causes personal injury to a person.
3. Subject to paragraph 2, UK Power Networks has no liability to you in contract, in tort (including negligence), for breach of duty, property damage or other loss, damages, costs or expenses of any kind or any part of any such loss, damages, costs or expenses, whether or not such loss, damages, costs or expenses are caused wholly or partly by the negligence of UK Power Networks.
4. This plan has been provided to you on the basis of the terms of use set out in the covering letter that must not be used in connection with this plan. The terms of use set out in the covering letter include, but are not limited to, the following: (a) use (including without limitation loss of profit, loss of opportunity, loss of savings, loss of goodwill, loss of business, loss of use) or any special or consequential loss or damage whatsoever.
5. You are responsible for the security of the information provided to you. It must not be given, sold or made available to any person other than the intended recipient of the information. If you are not the intended recipient, you must not use the information and must return it to the sender of the letter.
6. Please Note: The Overview map does not display UK Power Networks electricity network and should not be used for navigation purposes. For details of the electricity network please view the relevant pages highlighted in the Overview map.
