2023/2245/P - 160-161 Drury Lane: **OBJECTION**

Hello Enya,

The BCAAC has a strong objection to this application due to its planned height. The intention to add an extra storey (after first demolishing & replacing the 4<sup>th</sup> floor) will make this tight little corner overwhelming. The street is narrow and at that junction more so. The proposed extra height does not keep the line of its surrounds and will have a seriously negative impact on the street scape.

Marianne Jacobs-Lim  
on behalf of the BCAAC  
(Seven Dial CA & Covent Garden CA)
