2023/1751/P	Helen Stone	30/06/2023 14:49:26	OBJNOT	I am a resident of King Edward Mansions, with my bedroom, living room and dining room fronting Grape St at third floor level. There is less than 8 metres between King Edward Mansions and Queen Alexandra Mansions. I strongly object to balustrading being constructed at roof level opposite my flat. There will be overlooking by people from roof level, and probably parties which would also incur severe loss of privacy as well as noise intrusion and nuisance. Many years ago we were subjected to such nuisance. We have tolerated much loud construction noise from this property all year, and that is more than enough nuisance. We strongly object to the prospect of ongoing nuisance and overlooking at night time.
