**Reference: 2023/2510/P One Museum Street**

Hello,

I am writing to **OBJECT** to the proposed development at One Museum Street.

It seems to me that this proposal is entirely inappropriate.

It is too tall,

It will not provide a benefit to the local community,

and the environmental impact of demolition and construction will be a serious breach of London's - and the country's - climate protection ambitions.

With best wishes,

Marcus Rees Roberts
