DECISION SUBJECT TO A SECTION 106 LEGAL AGREEMENT

Address:
Enterprise House
190 High Holborn
London
WC1V 7BH

Proposal:
Variation of condition 3 (personal permission) of planning permission 2017/3871/P granted 27/04/2018 for the change of use of the third floor of the existing building from Office (Class B1) use to Education Institution (Class D1); namely, amendment to company trading name.

Drawing Nos: Letter by Newsteer dated 20 February 2023.

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted shall be carried out in accordance with the following approved plans: Cover letter from Turley dated 6.7.17, Transport Statement from Turley dated July 2017, Energy & Sustainability Statement from Turley dated July 2017; PEAL3001_01Rev.00, 15-0XXX-2-GL_Rev.B, One90-3rdFloor (unnumbered).

Reason: For the avoidance of doubt and in the interest of proper planning.

- 2 This permission is personal to Pearson Education Limited and Pearson College Limited and shall endure for the period of their occupation only. On Pearson Education Limited and Pearson College Limited vacating 190 High Holborn the university (Class F1) at third floor level shall revert to the lawful use for Class E Office purposes.

Reason: In recognition of the special circumstances of the applicant/ occupier and to accord with policies, A1, E1, E2, C2 and G1 of the Camden Local Plan 2017.

- 3 Notwithstanding the provisions of Class F1 of the Schedule of the Town and Country Planning (Use Classes) Order, 1987, or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order, the parts of the premises to which this application relates at third floor level shall only be used for non-residential education and training uses, and for no other purpose within Class F1.

Reason: To ensure that the future occupation of the building does not reduce its employment generating potential or adversely affect the adjoining premises or immediate area by reason of noise, traffic congestion and excessive on-street parking pressure, in accordance with policies A1, A4, E1, E2, T1 and C2 of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission

Planning permission was previously granted for the change of use of the third floor from office to education/training use (reference 2017/3871/P on 27/04/2018). Personal planning permission was granted for Pearson Education Limited (secured by condition 3) meaning that when they vacate the site, it must be returned to office use.

Pearson Education Limited are still in occupation, but are seeking a variation of condition 3 to refer to both Pearson Education Limited and Pearson College Limited, a group company of the parent company. Pearson College Limited provide education use, with a very similar offer as Pearson Education Limited, ensuring that the site will still be used for the same purposes as considered during the determination of the original application.

The reason for imposing the condition was in recognition of the special circumstances of the applicant. The proposed amendment of the condition to incorporate a group company of the original applicant is considered to be in keeping with the intentions of the original condition. The proposed amendment therefore constitutes a minor amendment to the original application and is acceptable.

No other amendments are proposed and there would therefore be no impact on the character and appearance of the host building or the conservation area, or on neighbouring amenity.

No objections were received prior to the determination of this application. The planning history of the site has been taken into account when coming to this decision.

As such, the proposed development is in general accordance with A1, E1, E2, C2 and G1 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2021.

- 2 This approval under Section 73 of the 1990 Act effectively varying the relevant condition of the previous planning permission is subject otherwise to the same terms, drawings,

conditions and obligations as attached to the previous planning permission. This includes condition 1 providing for a 3 year time period for implementation which for the avoidance of doubt commences with the date of the original decision (and not this variation).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
