2023/2034/P	Tom Symes for Belsize society	05/07/2023 17:51:50	OBJ	<p>Belsize Society objects to the proposals. Whilst the current side extension is not in keeping and is in a very poor state of repair, the proposed replacement is not an acceptable design.</p> <p>36 Upper Park Road is mentioned in the Parkhill and Upper Park Conservation Area Appraisal and Management Strategy as making a positive contribution.</p> <p>The Key Views mentioned in the Strategy include the curve of Upper Park Road and this site is prominent on the corner with Tasker Road.</p> <p>There should be no incorporation of the wall with Tasker Road.</p> <p>The materials should be white stucco with flat roof and a parapet in keeping with other side extensions in the CA.</p> <p>The relationship of the new works with the small windows in the building adjoining it in Tasker Road does not seem to work</p>
