2023/1676/P	Karen & Anthony Beare	06/07/2023 15:14:01	OBJ	<p>My name is Karen Beare and my husband and are neighbours to this proposed development.</p> <p>We have a written agreement - dating back to the first application - with this Applicant & their architects that large picture windows directly facing into our living space and garden will be opaque. There appears to be no mention of this in this new "revised" application.</p> <p>Nor have any external proposed elevations been provided which is a shocking omission, just some ad hoc visualisations. These do not provide the necessary detail that a neighbour requires to assess a significant scheme such as this.</p> <p>Nor have these neighbours reached out to us in any way to discuss this new application.</p> <p>Further comments will be forthcoming.</p> <p>A call from a member of the Camden Team would be most welcome.</p>
