2023/1762/P	Carolyn Stacey	06/07/2023 22:25:47	NOBJ	<p>I wish to support this application, linked to another 4 houses in Coity Road.</p> <p>Two local schools have closed recently because of a lack of accommodation for young families and this extension would enable families to stay in their homes in the area and contribute to the community and the remaining schools.</p> <p>Several much more intensive developments have been built or are proposed locally, including in the same street, and this extension would keep the character of the original houses while making them more suitable for families.</p> <p>I think that his development would enhance the neighbourhood in both appearance and stability.</p>
