2023/1991/P	Peter Robson	06/07/2023 21:01:31	COMMNT	Not sure why it is necessary to attract more visitors to Neals Yard which is always very busy. I always thought the visitors were attracted to the colourful buildings, greenery, history and tranquil nature of the Yard. Maybe a Henry Moore or Antony Gormley rather than a plastic gorilla which will serve only to attract the Instas and tik tokers, who in my opinion tend to be a selfish and disrespectful crowd. Having said that Floral Court with the elephant seems to work ok together with an abundance of greenery, which although attractive does cause congestion.

Otherwise I concur with the comments of the CGCA
