Objection

Do you have any comments or consider that the proposal is harmful to or does not preserve the character and appearance of the conservation area?

It is not possible to determine whether the proposal may cause harm to the conservation area, as there is not enough information on the plans to make a judgement. We object to tech application on this basis, until the necessary information is submitted. Can the applicant please provide details of: - any nearby trees and extent of existing planting, including within the curtilage of Rhyl School. This should be accompanied by photographs. - the material and height of the boundary fences or walls.
