Morning Richard,

We need to officially discharge the condition and as soon as the local authority send an e-mail to our Devcon team we will review the condition and discharge it as long as it meets the criteria.

Do you know the name of case officer? If something does come in it can be picked up. Many Thanks

Kind Regards,

Saira Irshad

Some people who received this message don't often get email from richard.wright@gpflewis.co.uk. [Learn why this is important](#)

This e-mail originated from outside of Thames Water. Do not click links, open attachments or reply, unless you are expecting it. Please verify the e-mail address and know the content is safe. If in doubt, contact the Digital Service Desk. Report Phishing via [this link](#).

Thanks Saira,

My recommendation to our Client will be to seek a Section 72 submission to get the condition aside
