2023/2820/T	Emma	11/07/2023 17:33:17	OBJ	<p>I wish to object to this application.</p> <p>We live two doors down from this property with the Ashes giving us significant amenity value. These are two beautiful, healthy trees. Aside from their significant aesthetic value they also provide a shelter for us from the windows of the housing development on Swains lane. If these trees were to go we would suffer a huge loss of privacy.</p> <p>For me however the most important point is that they are healthy Ash trees, and there are far too few of those around these days. Given the loss of Ash trees across the country to Ash die back, felling these would be criminal.</p> <p>On these grounds I must strongly object.</p>
2023/2820/T	Rob Liddell	12/07/2023 07:12:54	OBJ	I object to these trees removal. They provide an important section of greenery in an otherwise totally barren yard.
2023/2820/T	Jennifer Abramsky	11/07/2023 19:14:52	OBJ	I wish to object to this proposal. The ash trees are healthy and beautiful. If they were felled gardens at the lower end of Hillway would lose privacy . There are few healthy ash trees left in the UK . It would be a travesty to cut down such majestic trees.
