This is a loss of amenity for everyone who lives in this street.</p> <p>This tree is clearly causing damage and I understand why it needs to be felled.</p> <p>However, I wish to object the felling unless the owner is required to plant another similar tree close to the site of the sycamore so that, long term, we do not lose the amenity of the large beautiful trees which are a vital part of the neighbourhood's character - and also provide a key role in providing privacy and limiting noise for other homes too.</p> |
