I join with the numerous local objections to this application and request the Council to refuse planning application, 2023/2341/P.

Leaving aside the ugliness of the structure, I believe the positioning of an 18metre 5G mast that uses microwave radiation (Radio Frequency Radiation / Electro-Magnetic Field (RFR/EMF)) is unsafe for the nearby residents, nurseries, care homes, and wildlife in the Hampstead Cemetery.

Therefore I object to this proposal.
