Details of the pre-application advice received

The principle of the roof extension is unacceptable and would not be supported. This is because the resultant building would fail to remain subservient to the neighbouring properties, thereby causing harm to the character and appearance of the street scene and the Camden Square Conservation Area. You are therefore advised against submitting a formal planning application for a roof extension at the property.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
