2023/0657/P	David Greene	18/07/2023 16:06:09	OBJ	The application to increase the size of the footprint of the exiting side extension soul d refused .. every meter of green surface is a valuable resources both in terms of its practical use in our fight against climate change but also for ite easthetic value , green nature in all its forms is so important. I have no objection to the addition of another floor over the existing footprint .
