2023/1876/P	Jeremy Simpson	24/07/2023 21:12:42	OBJ	I object strongly to this planning application. The roof line will sit significantly above all others in Meadowbank, damaging the profile of the development. My house (45) sits below 34 and the raised roofline would materially impact the light coming through to my house, depriving my of enjoying such natural light and thereby adversely affecting both my mental health and property value.
