Subject: 2023/2510/P 2023/2653/L Objection

Objection of Robert McCracken of 19, Seven Dials Court, Shorts Gardens WC2H 9AT

I object to this proposal for the same reasons as I objected to the previous proposals for this site. I endorse the objections which I understand will be submitted by the Bloomsbury Association. The proposed building is far too tall and bulky. It will damage the setting of several conservation areas and listed buildings. These include the listed buildings of Lincoln's Inn and the listed park of Lincoln's Inn Fields. The scheme is in conflict with climate change and air quality policies
