Dear Camden Planners,

I work in Great Russell Street WC1 ( and live in NW1) and strongly urge you to reject the plans for the development of Selkirk House and its surroundings. The last thing Bloomsbury needs is more modern, high rise buildings or office space. As well as being one of the most iconic tourist attractions with the British Museum, Bloomsbury is a historic literary area, which unfortunately is losing its character, so the preservation of these 19C buildings would exacerbate this decline.

Please do NOT allow these plans to go ahead and this area to be destroyed.

Regards
