2023/2423/P	Patricia Dowsey Limousin	27/07/2023 07:00:52	SUPPRT	I am writing in support of this application. I am a neighbour of the property. When the property was occupied by the nursery this was very disrupting for us due to the constant noise. The nursery moving out as been a big relief and improved our quality of life. The current application of two small flats within the perimeter of the property is very suited to the environment.
